Unanimous approval

Review of the Draft Report for the Transition Team

- Blueprint ('mission statement')
- Identified Gaps, Challenges and Opportunities related to public safety in the county
- Need add detailed information on the priorities set by County Executive: Community Trust, Data Resources & Technology, and Regional Approach
- Co-chair Sheryl Goldstein encouraged workgroup members to send additional information and text for the report to the co-chairs and staff for inclusion.
- Workgroup members identified that they need data to complete the report. The data request should focus on crime statistics for the county.
- The agenda for the next meeting on December 17, 2018 is to conclude reviewing the draft report.

Meeting adjourned at 8:23 p.m.
